

FIELD OF INTEREST FUNDS

FOLLOWING A PASSION

Through a Field of Interest Fund, donors can support specific areas of concern. The Columbus Foundation will make grants to the most appropriate and effective organizations within the donor's chosen field of interest.

A FIELD OF INTEREST FUND allows you to focus your significant contribution towards an area of interest that is meaningful to you, whether that is the elderly, children, education, healthcare, or a geographical area.

GETTING STARTED IS EASY.

Field of Interest Funds offer you the opportunity to support evolving needs and a variety of nonprofits focused on your broad area of interest. This type of fund allows donors to work closely with The Columbus Foundation's Community Research and Grants Management team to identify organizations that are making the greatest impact in the area of your choice. It takes \$10,000 to open your Field of Interest Fund.

“For over 20 years I have worked with The Columbus Foundation, as a grant recipient and recently as a donor with a passion for ensuring that young children have access to quality programs that give each child a chance to succeed. The Foundation has been supportive, caring, and generous to our group, helping us in so many ways.”
